Work on the Crows Landing Road Bridge Replacement Project is currently in Stage 2, the final construction stage. Single lane road closures will be made as needed.

The team completed pre-stressing the bridge deck and is preparing to pour the barrier rail and deck closure. Teams are planning to remove the falsework and trestle (bridge support) within the coming months, along with finishing construction of the bridge approach, drainage, and roadway.

### **Project Overview**

**Work hours:** Monday - Friday 6:30 a.m. to 4:30 p.m. (use alternative routes whenever possible)

**Construction location:** Crows Landing Road between River Road/Marshal Road and South Carpenter Road

**Projected completion:** Late Spring 2024

### **Project benefits:**

- Improving safety for motorists
- Ensuring the bridge meets structural and geometric standards
- Widening the travel lanes and road shoulder
